

MATERIAL SAFETY DATA SHEET

SECTION 1 - PRODUCT IDENTIFICATION

Trade name : **SV-410**

Use : Powder hand cleaner

Manufacturer/supplier : **LES SAVONS EVY INC**
3460, 39 ième avenue
Montréal, Qc, H1A 3V1
Phone: 514-642-9920

SECTION 2 - HAZARDOUS INGREDIENTS

| HAZARDOUS INGREDIENTS | CONCENTRATION % | CAS NUMBER |
|-----------------------|-----------------|------------|
| Sodium tetraborate | 35-60 | 1303-96-4 |
| | | |
| | | |

SECTION 3 - PHYSICAL DATA

| | | | | |
|---------------------------------|------------------------------------------|-----------------------------------|-------------------------------------|-------------------------------------|
| Appearance : powder | Odour: fruity | Colour : green | | |
| Vapour pressure :not applicable | Vapour density: (air=1) : not applicable | Evaporation rate : not applicable | Boiling point (°C) : not applicable | Freezing point (°C) : not available |
| Ph : 7.5-10 | Density :1.75 | Solubility (water): (20°C) : 60% | | |

SECTION 4 - FIRE AND EXPLOSION

| | | |
|-------------------------------------------------------------------------------------------------------------------|-----------------------------------------------|-------------------------------------------|
| Inflammability: Yes <input type="checkbox"/> NoX <input checked="" type="checkbox"/> if yes, in which conditions? | | |
| Means of extinction : nonnecessary | Special procedures : not applicable | |
| Flash point : not applicable | Max. flammable (% volume): not applicable | Min. flammable(% volume) : not applicable |
| Auto-ignition temperature (°C) : not applicable | Hazardous combustion product : not applicable | |

SECTION 5 - REACTIVITY DATA

| |
|--------------------------------------------------------------------------------------------------------------------------|
| Stability: yes X no <input type="checkbox"/> , if no, in which conditions? |
| Incompatibility with others product: yes X no <input type="checkbox"/> if yes, in which conditions? Elementary zirconium |
| Reactivity conditions : stable at the time of the fire |
| Hazardous decomposition products : |

Product: SV-410

SECTION 6 - TOXICOLOGICAL PROPERTIES

| | | | |
|-----------------------------------------------------------------------------------|-----------------------------------------------------|-------------------------------------------------------|------------------------------------------|
| Route of entry : Skin <input type="checkbox"/> inhalation X ingestion X | | Skin contact <input type="checkbox"/> | |
| | | Contact eye X | |
| Acute effects on humans: not available | | | |
| Chronic effects on humans : not available | | | |
| Exposure limits : | Irritating properties : irritate the eyes | Sensibilization of material : not available | Carcinogenicity : no known effect |
| Teratogenicity : no | Reproductive toxicity : no known effect | Mutagenicity : not available | Synergic : no known effect |
| DL50 : 5g/kg oral-rat | | CL50 : not available | |

SECTION 7 - PREVENTIVE MEASURES

| | | |
|-------------------------------------------------------------------------------------------|--------------------------------------------|---------------------------------|
| Individual protection equipment : | | |
| Gloves : | Respiratory : mechanical respirator | Eyes : glasses anti dust |
| Shoes : nonnecessary | Clothes : working clothes | Others : Bath for eyes |
| Leak and spill procedures : collect discharges, rinse with water | | |
| Waste disposal : in accordance with municipal, provincial, and federal regulations | | |
| Handling procedures and equipment : | | |
| Storage requirements : store in a fresh and dry place | | |

SECTION 8 - FIRST AID MEASURES

| |
|------------------------------------------------------------------------------------------------------------------------------------------------------|
| First aid : |
| Skin : For an injured skin, rinse with much water |
| Eyes: immediately rinse the eyes with water during at least 15 minutes, if irritation persists, seek medical attention. |
| Inhalation : leave the victim to the fresh air, consult a doctor |
| Ingestion: make vomit the victim, make him drink much water or milk. Never give anything by mouth to an unconscious person, consult a doctor. |
| Others : |

SECTION 9 - PREPARATION DATE MSDS

| | | |
|----------------------------------------------|---------------------------------------|-----------------------------|
| Prepared by : Technical department | Phone number : 514-642-9920 | Date : 2011/12/12 |
|----------------------------------------------|---------------------------------------|-----------------------------|
